Thierry Vermont, author of the project

I'm happy when
my pupils smile
in class and
when they seem
to be happy to
be at school.

What made me
happy: Over, my
first boyfriend at
school, which I'll
never forget.

My grandfather's
eyes that sparkled
whenever he saw
me arrive. The wind
that strokes my
face, the sun that
warms up the heart
and finally, just
feeling alive!

Happiness was
when my adoptive
brother and sister
found their
biological mother
and also the 26th of
August when I
knew that I was
cured of my cancer.

What makes me
happy is to go to
the cinema with
a girl who really
appeals to me.

What makes me
happy is when I
have the giggles
and when I laugh
so much so that I
have a
stomachache... I
feel so well after
shedding tears of
laughter.

My fall in the bus
this afternoon
because a
good-looking boy
gave me a smile
and helped me to
get up

To take the time
to eat in a fine
restaurant in
Marseille and to
savour the
different meals...

What makes me
happy is to please
to my parents so
that they are proud
of me. Thank you
Dad and Mum, I'm
madly in love with
you!!!

What makes me
happy is to eat a
chocolate filled
pastry behind
my archi
(tecture)
teacher's back!!!

I'm happy every morning when my man snuggles up to me saying:
“good morning, darling, I'm here next to you”. I shiver.

What makes me
happy is to read
every morning the
Happython when
I'm in class. It puts
me in a good
mood for all the
day.

What makes me
happy is to please
to my parents so
that they are proud
of me. Thank you
Dad and Mum, I'm
madly in love with
you!!!
