We wish you a happy reading and a growing inspiration.

Thierry Vermont, author of the project

What makes me
happy is when I
have the giggles
and when I laugh
so much so that I
have a
stomachache... I
feel so well after
shedding tears of
laughter.

What makes me
happy is to have a
special moment
with my friends
over an aperitif
putting the world
to rights.

To take the time
to eat in a fine
restaurant in
Marseille and to
savour the
different meals...

What makes me
happy is to please
to my parents so
that they are proud
of me. Thank you
Dad and Mum, I'm
madly in love with
you!!!

What makes me
happy is to eat a
chocolate filled
pastry behind
my archi
(tecture)
teacher's back!!!

What makes me happy is to see the smile of people I like and the sunset. It's to hear the voices melody and children laughing. It's to smell flowers perfume and that of hot coffee. It's to feel under my fingers the softness of the skin and the grains of a fine sand beach...

What makes
me happy is
to believe in
life, to believe
in me.

I'm happy every morning when my man snuggles up to me saying:
“good morning, darling, I'm here next to you”. I shiver.

What makes me
happy is to read
every morning the
Happython when
I'm in class. It puts
me in a good
mood for all the
day.

What makes me
happy is to please
to my parents so
that they are proud
of me. Thank you
Dad and Mum, I'm
madly in love with
you!!!

I am happy
when I am
loved for what
I am.

I am happy
when I travel
around the world
and get to know
different possible
ways of being
happy.

What makes me
happy is freedom
of thought and
see how deep and
creative and
generous people
can be when they
are free.
