Thierry Vermont, author of the project

My grandfather's  
eyes that sparkled  
whenever he saw  
me arrive. The wind  
that strokes my  
face, the sun that  
warms up the heart  
and finally, just  
feeling alive!

Happiness was  
when my adoptive  
brother and sister  
found their  
biological mother  
and also the 26th of  
August when I  
knew that I was  
cured of my cancer.

What makes me  
happy is to go to  
the cinema with  
a girl who really  
appeals to me.

What makes me  
happy is when I  
have the giggles  
and when I laugh  
so much so that I  
have a  
stomachache... I  
feel so well after  
shedding tears of  
laughter.

My fall in the bus  
this afternoon  
because a  
good-looking boy  
gave me a smile  
and helped me to  
get up

To take the time  
to eat in a fine  
restaurant in  
Marseille and to  
savour the  
different meals...

What makes me  
happy is to please  
to my parents so  
that they are proud  
of me. Thank you  
Dad and Mum, I'm  
madly in love with  
you!!!

What makes me happy is to see the smile of people I like and the sunset. It's to hear the voices melody and children laughing. It's to smell flowers perfume and that of hot coffee. It's to feel under my fingers the softness of the skin and the grains of a fine sand beach...

What makes  
me happy is  
to believe in  
life, to believe  
in me.

I'm happy every morning when my man snuggles up to me saying:  
“good morning, darling, I'm here next to you”. I shiver.

What makes me  
happy is to read  
every morning the  
Happython when  
I'm in class. It puts  
me in a good  
mood for all the  
day.

What makes me  
happy is to please  
to my parents so  
that they are proud  
of me. Thank you  
Dad and Mum, I'm  
madly in love with  
you!!!

I am happy  
when I travel  
around the world  
and get to know  
different possible  
ways of being  
happy.
